

**Think Global School**

**Florence May 4th 2016**

**14:00 - 17:45h**

Speech and Workshop at the **Think Global School (Villa La Stella, Firenze):**

Christian Felber will be delivering a speech to the Think Global School students and dive into the application of the model in two separate workshops. This is a private event.

**14:00 - 15:30**

**Unit I:** Economy for the common good applied to companies and municipalities. Comparison with other alternative approaches (GNH, Avalon, B corps, Commons, social business, ...)

**16:15 - 17:45**

**Unit II.** Political implementation via “sovereign democracy”, focussing on the financial system, addressing political change where it seems most difficult.
